Important note to applicants (ITRP)

Please note applicants for The Australian Research Council Industrial Transformation Research Program (ITRP) related proposals only will not be required to complete a Minimum Data form.

The Queensland Government collects and collates information from the application form for the purpose of assessment as well as program monitoring and evaluation. Authorised Department and Advanced Queensland officers, and approved grant assessors and evaluators will have access to this information under the [Financial Accountability Act 2009](#).

Applicants should note that broad details of successful proposals, agreed outcomes, progress and the level of funding awarded may be published by the Queensland Government.

Some information may be used to promote funded projects.

The applicant organisation information will not be disclosed to any other third party without their consent, unless required by law or for the purposes of the [Information Privacy Act 2009](#).

For audit purposes, the Queensland Government is required to retain the applications and other supplied support material. Applicants wishing to access this information should contact the Department in the first instance.

The provisions of the [Right to Information Act 2009](#) apply to documents in the possession of the Queensland Government.

General Grant Information

Funding Agreement and reporting requirements

NOTE: please read before completing application

Successful applicants will be required to enter into:

- a legally binding Grant Agreement with the State of Queensland through the Department of Environment and Science (the Department).
- if successful, appropriate arrangements with each collaborative partner organisation to ensure the completion of the proposed project and achievement of the proposed outcomes as set out in the Australian Government industry-research funding program application.

The Department will not enter into a Grant Agreement unless and until the applicant provides evidence the Australian Government has provided written confirmation the application to the nominated Australian Government industry-research funding program has been successful.

Failure to meet either of these requirements will result in the funding offer being withdrawn.

The funding agreement must be signed by the legal entity that submitted the application. Except in the case of approved Cooperative Research Centres (CRC) where a legal entity is required to be created.

The reporting will inform the Department's release of payments in each financial year.

The applicant organisation must read the program guidelines and guidance materials.

Australian Government funding

Applications to Australian Government industry-research funding programs will be considered for co-investment (refer to list linked in the Co-Investment Program Guidelines).

Applicants may contact the Department to obtain advice on other newly announced target Australian Government programs via science.grants@des.qld.gov.au for advice.

Applicants must ensure applications comply with the target eligible Australian Government funding program grant Guidelines, including partner funding contributions. Applications for projects that do not comply with these guidelines will be deemed ineligible.

Please include the link to the nominated Australian Government funding program's guidelines and eligibility criteria.
